Dear Mr. Forrester and Members of Bright Holidays:

On behalf of Venetia Elementary School, I want to express our sincere appreciation to you and your organization for "brightening the holidays" for so many families during the 2012 holiday season.

Our faculty and staff submitted five families in need of assistance this holiday season. When our families were contacted to tell them they had been awarded a brighter holiday, emotions of disbelief to tears of joy came upon their faces. These families were truly appreciative and expressed many thanks for the generous gifts to their children. Without your blessings upon them through Bright Holidays they would not have been able to have a holiday due to circumstances and experiencing difficult financial times.

We appreciate all of the hard work and the time commitment that goes into aiding so many families. This program is amazing...from the people running it, the volunteers, the stewardship of the donations, and the incredible number of families positively impacted by it.

Thank you Mr. Forrester, for heading up this program..."pay it forward" and making a major impact on our city!

Sincerely,

Jennifer L. Copeland
