Dear Mr. Forrester:

Hopefully, your holidays were blessed with good health, love, joy and happiness. My prayers are that you continue to have a blessed and prosperous New Year. The entire Eugene J. Butler Middle School Family like to first thank you for allowing us the opportunity to participate in such a worthwhile and wonderful Bright Holidays Program.

Because of this unique compassionate and gracious organization several families and students were able to experience a wonderful and pleasant Bright Holiday. The additional gifts and cards sent to the school made it all happen.

Brief statements from families:

- Because of The Bright Holiday Program my family had the best Christmas ever.
- Thank God for such a program, I am a single parent (father) raising four children along with limited assistance from my mother. This program was very timely because I recently lost my job. Without your assistance my children would not have had a great Christmas. I wish you could have seen their faces light up on Christmas morning. Again I say thanks
- Bright Holiday made the difference and made my family happy.
- Thank God for caring and sharing people.

Again, thank you for allowing Eugene Butler to participate in this wonderful program. If any additional information is required I can be reached at (904) 635-0782.

Sincerely,

  
Lillie M. Vereen, Bright Holiday Site Coordinator
