Dear Ms. Forrester,

Bright Holidays is such a gift to our community! Your organization's generosity provided presents and gift cards to purchase the makings of a holiday dinner from Winn Dixie for the families of six students in my school. Without your help, these parents would not have been able to provide for their children in the celebratory manner we've come to think of the holidays.

I cannot imagine the pain it must bring for parents to worry about food and presents during the holidays. Witnessing the joy and gratitude of these parents was so gratifying! I only wish that it would have been possible for you to see the smiles and hear the expressions of thanks for what Bright Holidays provided to families of Neptune Beach Elementary.

On behalf of the elementary educational community in Neptune Beach, please accept my thanks for your dedication to such a wonderful cause. Truly, 'It takes a whole village to raise a child'. Thank you for partnering with us as we endeavor to educate and care for the children entrusted to our school's faculty and staff.

Gratefully,
