

Good Morning Mr. and Mrs. Forrester,

The attached document contains thank you letters from the Principal and families of William M. Raines High School.

I cannot express how grateful our families were to receive the many gifts they were afforded through the 2015 Bright Holidays program. I specifically remember one father who stood in the parking lot and cried saying how thankful he was as his family had really fallen on hard times and that he was doing all he could just to keep food on the table for them. He has a family of six and his wife doesn't work. As a recipient of the gifts of Bright Holidays, they would be able to stretch what little income they had.

I look forward to participating again!

Sincerely,

Jacqueline Brown
