Bright Holidays,

WOW!!! I don't think you realize the impact you have made, Saint Clair Evans Academy staff would like to thank you for all the Christmas donations we received for our students and families who were in need this Christmas Season. It was very generous and thoughtful of you, you can be assured that these contributions will be a major part of their Christmas celebrations.

We had a wonderful reply from our volunteers who spent hours wrapping the gifts on wrapping day. It was a nice time for us to come together and share in what you all had started by organizing, donating, and delivering so many wonderful gifts. All the parents were speechless by your generosity and it truly brought smiles to the faces of the families and relief that they would have gifts to give this Christmas Season.

THANK YOU!!! On behalf of all the parents and students that Bright Holidays touched this season. The holiday season is a great time for everyone to give thanks, enclosed is a personal thank you card from each of our families who were impacted this year from your generosity.

Sincerely,

Principal
