January 24, 2019

Dear Bright Holidays Foundation,

The families of Chets Creek Elementary School have been so grateful for the gifts from Bright Holidays for the past several years. This year is no different except that I wanted to let you know how your organization has greatly impacted one special family.

One of our recipients is a single working mother of two boys. She attended our elementary school as a child and received extra instructional support. As a student, she worked to the best of her ability and eventually graduated from Sandalwood High School. As a mom, she attends every event and teacher conference to support her sweet boys who also struggle in school. Currently, she is working as a lunch monitor, which pays very little. She has become a vital part of the team at Chets Creek because she proactively serves in many capacities outside of her lunchroom monitor role and responsibilities. She also works at the Dollar Store to supplement her income. She is a role model for other moms and inspires us every day. When she received the Bright Holidays opportunity, she cried and then tried to pass it on to someone else in greater need than her. When the gifts arrived, she cried again, and said, "whoever is doing this should know how happy they are making my family"!

On behalf of all the parents, students and staff that Bright Holidays touched this season, I want to say thank you for making this season special. We look forward to working together to assist other families in need during the holiday season.

Truly,

A handwritten signature in cursive script that reads "Susan T. Phillips".
