Dear Bright Holidays:

Thank you for once again including our school in the Bright Holidays celebration. This year our students in most need were once again blessed to have your support in their lives.

One mother of five – and one on the way – had recently lost her job and faced other financial crises. She told a guidance counselor that without the food card and gifts there would have been no Christmas in her home.

A student who received gifts for her siblings was so grateful to have presents to give to her brothers and sisters. Your charitable spirit allows those with little to also share in the giving season.

Another student had only two changes of clothes. He was happy and proud to have brand new clothing to wear during the holidays.

Your generosity to our school and others helps to make brighter a time of the year that can be difficult for many. We are grateful to you and wish everyone at Bright Holidays a happy and prosperous new year.

Sincerely,

Melanie Hammer
