Dear Bright Holidays,

Once again, on behalf of Rufus E. Payne Elementary, I would like to thank you for all you have done to make Christmas bright for our students and their families. The families you helped have no source of income; therefore, the children would not have received anything if it were not for you all. The shoes, clothes, toys, and gift cards were very appreciated by our families. It was very exciting to see the students return to school in their new clothes and shoes. It definitely gave them a new sense of confidence and a bright smile. Year after year, your organization goes above and beyond for the students of Duval County. We know that an initiative of this size requires a tremendous amount of time and resources. We want you to know those efforts do not go unnoticed. From the bottom of our hearts, we thank you for everything! You are having an immeasurable impact on our community.

Sincerely,

Weisha Day-Killette

Principal
