January 2019

Dear Bright Holidays Donors,

We wanted to take a moment to thank you for the generous donations of presents, clothing, books, and gift cards for 23 of our neediest students here at Ruth N. Upson Elementary School. Coming from a Title One School, where so many of our families live in poverty and are unable to provide for their children.

Our parents and caregivers were overwhelmed with the generosity of the donations. Some of the parents thanked us with tears in their eyes knowing that these would be the only presents they could provide to their children this holiday season. It warmed our heart to know that some of our students would have brighter holidays because of the kindness of your organization. Three of our families are homeless, living in a shelter, and would not have been able to provide anything to their children. Your gifts allows a child to smile knowing "Santa" didn't forget them or leave them behind for some reason.

We greatly appreciate the time, commitment, and fundraising that goes into making this program possible. We look forward to future partnerships with Bright Holidays and want to thank you on behalf of our students, families and faculty.

Sincerely,

Yvonne Spinner
Principal of Ruth N. Upson Elementary.
